– Chamber of Influence –

NON PROFIT FORUM

with **Antonia Allsman**, National Director of Development, Devereux Advanced Behavioral Health

The Non-Profit Forum is a great opportunity for non-profit management, trustees and staff to learn how to succeed at creating strategies and overcoming the challenges all non-profits face on an everyday basis.

Antonia will share proven ways to increase and strengthen the overall efficiency and effectiveness of non-profit organizations.

With nearly 20 years in the nonprofit field, Antonia Allsman has dedicated her professional career to resource development for organizations serving some of the most vulnerable members of our communities. Starting her career at the Archdiocese of Philadelphia, she was promoted to progressive levels of responsibility, serving as the Administrator of the Catholic Charities Appeal and Acting Director of Development.
